You Are Not Alone

"The message of the Al-Anon Family Groups, Al-Anon and Alateen, is one of hope. It is the story of men, women and children who once felt helpless, lost and lonely because of another's alcoholism. Today, these men, women and children have courage and confidence. They found understanding friends. They have learned what to do to help themselves, and which indirectly can help their alcoholic relatives, loved ones and friends, whether sober or not."

Al-Anon/Alateen Service Manual

God, grant me the Serenity to accept the things I cannot change,
Courage to change the things I can, and
Wisdom to know the difference.

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength, and hope, in order to solve their common problems. We believe alcoholism is a family illness, and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization, or institution; does not engage in any controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.

Suggested Preamble to the 12 Steps

"It is not men's acts that disturb us, but our reactions to them. Take these away and anger goes. No wrong act of another can bring shame on us."
