You Are Not Alone

The message of Al-Anon and Alateen is one of hope. It is the story of men, women and children who once felt helpless, lost and lonely because of another's alcoholism.

Al-Anon is a unique fellowship that unites members of different backgrounds, races and walks of life in an inspiring endeavor: helping themselves and others to lead purposeful, useful lives by overcoming the frustration and helplessness caused by close association with an alcoholic.

Today, these men, women and teenaged children have courage and confidence. They have found understanding and learned what to do to help themselves—and this can indirectly help their alcoholic relatives, loved ones and friends, whether sober or not."
